SPONSORSHIP OPPORTUNITIES

Friday, June 5, 2026 at the Art Museum of the Americas

On behalf of everyone at New Futures, thank you for considering a partnership with us.

This year, we are pleased to reimagine our traditional gala. **Night Out with New Futures** will offer a more connected and engaging evening by bringing together Scholars, supporters, and community partners in a setting designed to foster meaningful interaction and shared experience. Rather than a seated program, guests will move throughout the space, engaging directly with Scholars and supporters.

As planning moves forward, we are currently confirming early commitments and sponsorship participation. Many of our longtime supporters choose to make their annual philanthropic investment in connection with this event, and **we would be honored to include you among this year's leadership supporters.**

At New Futures, we believe in the power of community college degrees and professional certifications to create game-changing pathways into the workforce. We offer:

- **Financial Scholarships**
Up to \$10,000 to support education expenses.
- **Personalized Advising**
Our advisors offer career and academic advising.
- **Skill-Building Opportunities**
Workshops that promote success in college/life.
- **Career Readiness**
Hands-on learning and practical tools.
- **Alumni Engagement**
Opportunities to build community.

Your support will help fuel real change: transforming young lives, bolstering talent pipelines, and reinforcing the social fabric of the DMV.
