Opportunities for
Rewarding Careers

Our Need

New Futures relies on the generous support of partners, volunteers, and donors to empower our Scholars on their path to financial security.

How you can help:

- Make a gift to New Futures to support what we need most
- Establish a Named Scholarship in honor of a loved one and connect with a specific New Futures Scholar throughout and beyond their degree program
- Be an ambassador for New Futures among your professional and personal networks
- Volunteer at a workshop
- Help our Alumni expand their professional networks

OUR UNIQUE APPROACH

New Futures disrupts cycles of inequity by propelling underserved young people through community college or certification programs and into rewarding careers that lead to financial security.

We invest with a deliberate combination of scholarships, academic advising, and career development experiences to help our Scholars launch family-sustaining careers, strengthen communities, and take part in our region's growing prosperity.

NEW! We have committed to equipping Scholars with tools for meaningful careers in the region's most in-demand sectors.

New Futures is coalescing our work around six Career Pathways:

- | | |
|-------------------------|-------------------------|
| ■ IT/Cybersecurity | ■ Hospitality & Tourism |
| ■ Health Sciences | ■ Education |
| ■ Construction & Trades | ■ Public Service |
